Easy Easy is a band that represents the musical universe of four minds from Guatemala City, Rodolfo Madrid (Guitar), Walter Monterroso (Keyboard and Bass), Gerardo Flores (Drums) and Sofía Insua (Vocals).

Seeking to reinterpret the sounds of their imagination, they navigate in both English and Spanish, through R&B, Experimental Pop, Indie Rock, among other influences to connect with the minds of those who wish to listen.

They have released one album "Lo Veo Todo (Lo Siento)" (2018) and four EP's: "LVT (LS)" (2019), "5" (2020), "5 Remixes" (2020) and "Ok Okk" (2023) .

Katana, one of the songs on their 2020 EP, was featured in the Netflix show "Gentefied".
In 2021 the NY based label Citrus City, released a compilation of "Lo Veo Todo (Lo Siento)" and "5" on cassette tapes.

Easy Easy has played several dates and festivals around Latin America and the US, showcasing their sounds alongside artists like Quelle Rox, Kibi James, Little Jesus, Irepelusa and collaborated on remixes with artists like Blockhead, Blue Foundation, Arms & Sleepers and Pedazo de Carne con Ojo.
